Dear Parents/Carers

5<sup>th</sup> October 2009

The "Friends of Chetwynd" group has recently been re-established after many years without such an association.

The reason for forming this group is to give greater opportunity for wider involvement in the school and also raise money to help enrich the lives of all the pupils at Chetwynd Road to enable the children to have some special treats throughout the year. We hope that through fund raising events we can also bring the local community closer together.

We are aware that due to work commitments you cannot always be present at the meetings we hold at school, but any help you can give towards our fund raising events would be most appreciated.

We would also welcome suggestions for future events which we could hold. This can also be done by contacting Mrs Phillips (Tigers' teacher) or Mrs Fernando (parent) through school.

After our spectacular Summer Fair (and the amazing contribution made by all) the first event that we have organised will be a whole school outing in January to the pantomime. From the proceeds, the Friends have kindly donated £1,500 to go towards the cost of the outing. More details about parental contributions, dates and times to follow.

Before Christmas we are planning for the children to make calendars which you can buy for Christmas presents. Any parent able to help in making these calendars please can you contact Mrs Phillips or Mrs Fernando. Regular Friends newsletters will be sent home with your children to keep you informed of future activities.

Thank You.

Friends of Chetwynd.
