

Dear Parents

## ***AFTER / BEFORE SCHOOL ACTIVITIES***

I am writing to inform you that we are currently able to offer following opportunities to our children.

Please note clubs are restricted to certain age groups because of the limitation of numbers. (Those children already in the Broxtowe Sports Partnership clubs which have already started do not need to reapply).

If you would like your child to join any of the clubs mentioned **please complete the appropriate form** and return it as soon as possible to your child's **class teacher** who will pass it on to the teacher(s) in charge of the activity.

It is important that if your child does join an activity that they make a full commitment and turn up every week. As you will be aware this club will only be successful with the full commitment of the pupils attending it each week. Any absence will require a letter explaining non-attendance prior to the session.

**Clubs (not already running) will start next week, commencing Monday 5<sup>th</sup> October.**

**Please assume that your child has a place at their chosen club/s unless you are informed otherwise.**

Yours sincerely

Mr Graeme Robins Headteacher
