

Dear Parents

29<sup>th</sup> November 2010

### Key Stage 2 - Residential Visits

We hope your child enjoyed their recent residential to Kingswood, if they were able to go.

We are asking **all** our Key Stage 2 parents for your opinions about residential visits in general and ask you to provide feedback, specifically about our visits this year, if your child attended.

In school we are thinking very carefully about future trips. Providing a residential trip takes hours of preparation time for all school staff and relies on staff and parents to, voluntarily, give up their time, unpaid. To help us to consider providing similar opportunities in the future please could you answer the following questions as candidly as possible? Thank you.

1	Did your child go on the recent trip?	
2	If your child did not go on the residential, please could you let us know why?	
3	Do you feel we should offer our children a residential experience?	
4	If so, how many nights do you think residential trips should be for?	
5	Which Year groups should be offered a residential?	
6	What time of year would you like to have a residential (bearing in mind spring/summer times are far more expensive)	

7	How much are you willing to pay for a trip, including all accommodation, food, instruction, & transportation?	
8	Should residential visits take place every year or alternate years for restricted year groups? This may mean limited places on a first come first served basis.	
9	Which Year group is your child currently in?	
10	Do you have any other thoughts about residential experiences at Chetwynd?	
<b>Thank you for taking the time to give us your invaluable feedback. Please return asap.</b>		

Child's Name and Class (optional) \_\_\_\_\_
