If you would like your child to join any of the clubs mentioned **please complete the form attached** and return it as soon as possible to your child's **class teacher** who will pass it on to the teacher(s) in charge of the activity.

It is important that if your child does join an activity that they make a full commitment and turn up every week. As you will be aware this club will only be successful with the full commitment of the pupils attending it each week. Any absence will require a note explaining non-attendance prior to the session.

(Please note that we are hoping to run an ICT club in the Spring term, more details to follow. Also we hope that we will be able to continue with the Badminton / Basketball before school clubs after Christmas, but this is subject to funding from Broxtowe Schools Partnership).

Clubs will start next week, during the week commencing **Monday 4th October.**

Please assume that your child has a place at their chosen club/s unless you are informed otherwise.

Yours sincerely
Mr Graeme Robins, Headteacher
