

A date for your diaries....

To all parents of Years 5 and 6

Enterprise at Chetwynd Road Primary School

You may be aware that we are, increasingly, encouraging the skills of enterprise at school. While we won't be participating in 'The Apprentice' just yet (!) we will be running a 'real life' activity in school during the run up to Christmas for our Year 5 and 6 pupils.

Pupils will be making and decorating their very own snowman out of fabric, with a view to selling them to you, priced £3 each, at a special event,

You will be given 'first refusal' to buy your own child's Christmas creation; hopefully it will be able to sit on your mantle-piece during the festive season to be admired by all.

The special event will take place straight after school on **Thursday 16th December**. Please come along for a drink and a mince pie and browse all the snowmen while listening to some lovely Christmassy music.

We hope to see you all there.

Yours sincerely

Mrs Shipley
