Dear Parents/Carers,

10th October 2011

Why not be a Book Saver?

The Christmas book fair will be visiting our school on the week beginning 28th November. This is a fantastic opportunity for children and parents to browse the well stocked shelves, and to make some purchases just in time for Christmas. Details of the book fair will be sent out at the beginning of November.

As the time for buying books is fast approaching, I would like to draw your attention to our Book Savers Scheme. This scheme runs all year round. Each week, our book savers can bring in some money to put into a book savings account. Any amount large or small can be saved, and this money can then be spent at the Book Fair. It is a brilliant way for children to experience saving, and also can help to spread the cost of your purchases. Our book savers are also entitled to an exclusive priority book fair event, complete with refreshments, where they will be able to shop for their books.

If your child wishes to participate please send in your money on a **Tuesday**, in a named envelope marked 'Book Club'. Your child will be issued with a savings card which needs to be returned each time they save. Thank you.

Yours sincerely
Miss K Sillitto
Literacy Coordinator
