

BBC CHILDREN IN NEED APPEAL

Every penny you give goes towards helping children and young people in the UK.

11th November 2011

Dear Parents/Carers and children

Show your Spots - Lets Raise Lots!

As a school we would like to support the 'BBC Children in Need Appeal'.

The event takes place on **Friday 18th November**.

Every penny we raise will help disadvantaged children and young people here in the UK.

This year, in return for a donation towards the appeal we are asking the children to go spotty and wear one spotty item of clothing together with their normal school uniform. It may be spotty socks or a spotty shirt. The children can also dress their own teddy bear like Pudsey bear and bring him to school for the day.

We would also like parents to provide cakes for a cake stall.

Finally, like last year, we will try to cover our own large Pudsey Bear picture in small coins - **one and two pence pieces**. If the children can bring these into school on the morning of the 18th we would be very grateful.

During the afternoon of the 18th each class will spend time in the hall where the children will be able to purchase the cakes and cover Pudsey in coins.

At the end of the day parents are most welcome to come into the hall and throw their odd coins on to Pudsey and buy any cakes we have left!

The members of The School Council will supervise the stalls and 'covering Pudsey' and then they will count the money raised.

The BBC promises that every penny we raise will go to helping children, and not be used for other costs.

We look forward to seeing all the spotty clothes and Pudsey bears on the 18th and we thank you in anticipation of your support.
