

Dear Parents / Carers

24<sup>th</sup> November 2011

**School closure due to National Industrial Action  
Wednesday 30<sup>th</sup> November 2011**

**I am now in a position to confirm that school will be CLOSED to all pupils on Wednesday 30<sup>th</sup> November 2011, due to national industrial action being taken by the membership of a number of Unions in school.**

Any staff who are unaffected are unable to undertake the work of those who are taking industrial action and it is also unlawful for schools to seek to use supply agency staff for these purposes.

Chetwynd Road Primary School recognises that this closure may cause difficulties for parents / carers and we wanted to make you aware of the closure in order that you are able to make alternative arrangements.

In the meantime we hope there is a speedy resolution to the issues that have caused staff to take industrial action. Thank you for your understanding.

Yours sincerely

Graeme Robins  
Headteacher
