Dear Parents

School Photos

It's that time of year again!

Our photographer will be in school on **Friday 4th November 2011.**

During the school day all children will have their photos taken, so please make sure they come to school looking extra smart!

At 8.30am there will be an opportunity for parents to bring pre-school age children for a family photo with their siblings, should you wish to. Access will be through the school gates and via the outside hall door, where you will be given a ticket for your photo shoot.

If you wish to have a group photo taken, of children already attending school, with their brothers and sisters, who are also in school, then please indicate below.

Throughout the rest of the morning, your child/ren will then have an individual photograph taken. You will be under no obligation to purchase these, but a proof will be sent home for you to view. These photographs then support our safeguarding procedures. As you can appreciate, a copyrighted, age specific photograph, of your child, is required for their personal file.
