

Dear Dad, Grandad, Uncle, Older brother....

## It's a man thing...

Later in the Spring Term we're hoping to put on a series of early evening sessions for 'dads' and their boys in Foundation and Key Stage 1. The programme is called 'It's a man thing...' and is a great opportunity for 'dads' and boys to spend time together reading through a range of practical fun activities.

If we get enough support, it is intended to run 4 fortnightly sessions that would begin at 6pm and be finished by 7pm. These are likely to be on a Wednesday. We hope that the later start would give dads a greater chance to take up the opportunity.

We are trying to arrange a short meeting at a suitably convenient time to gauge support and interest and to help get this project off the ground this term

On the Thursday 25<sup>th</sup> February, at 6pm, we will be holding a 45 minute meeting to tell you about the project. At this time we will outline how you and your son could both benefit from reading together and sharing time with fun activities. We hope you will be able to attend and would be grateful if you could complete and return the slip below.
