

26th February 2010

Dear Parents

**URGENT ATTENTION - KS1 PARENTS - VISIT TO
ATTENBOROUGH NATURE RESERVE**

You will now be aware that we are expecting the Ofsted Inspectors in school on Monday 1st March 2010 and Tuesday 2nd March 2010.

They are really looking forward to working with us and seeing the excellent work that we do here at Chetwynd Road Primary School.

The specialist Key Stage One inspector will only be in school on Monday, and needs to see the class teachers delivering their normal lessons. This is crucial to the outcome of our inspection and we know that you will appreciate how important it is to all concerned.

We have therefore decided to postpone our planned visit to Attenborough Nature Reserve. A new date will be arranged, and we will let you know this as soon as we can.

We know that you will all understand the reasons for this, and we thank you for your patience.

Mr G Robins
Headteacher
