

Dear Parents

18th March 2010

The time is approaching for us to organise our school swimming programme for 2010-2011, in partnership with the Local Authority School Swimming Service.

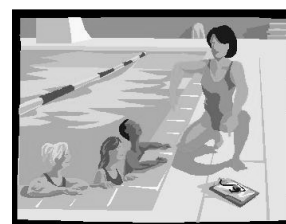

The Service provides the following guidance to schools for participation in the programme:

*The target groups for swimming should be **Years 3 and 4, and any non-swimmers in Years 5 and 6.** In this way it is felt that the learning outcomes will be increased across all aspects of aquatic skills, thereby ensuring higher levels of attainment.*

We would like to take two groups of pupils for swimming lessons for 8 weeks each. In order for us to be able to group our pupils, in line with the guidance above, we need to ascertain our 'swimmers' and 'non-swimmers' for next Year's 5 and 6 (current Years 4 and 5). Please could you complete and return the form below, before Easter, to indicate how far you feel your child can swim.

Thank you,

Mr Graeme Robins
