Dear Parents/Carers

7th January 2011

Last year, the school received a number of complaints from both residents and parents about inconsiderate and often dangerous parking on Chetwynd Road. Therefore, the School Council was tasked with trying to solve this important issue.

Throughout the Autumn Term, our School Council have met regularly to share ideas from their own classes and plan some actions to help the parking situation. One of their ideas was to have some signs made to encourage good parking behaviour. There are now four new signs at the front of school which were designed by our School Council. We are hoping that this will make an impact to some of the parking problems on the road.

In addition, School Council want to question those drivers who park inappropriately to find out if there is anything more the school can do to help ease the parking congestion. Therefore, small groups of children from the School Council will be out on patrol the week beginning 10.01.11 at the end of each day.

School Council are very keen to solve this problem but are also aware that the majority of our parents park considerately, walk to school or use Tesco's car park so we would like to take this opportunity to say a big thank you from everyone at Chetwynd Road.

Many thanks for your support with this important matter.

Yours faithfully,
School Council and Mrs Shipley
